

KOMERAKids!

English version

KOMERAKids is a brochure designed to help encourage and motivate children between the aged 7 - 10 yrs during this time of confinement.

We hope for them to learn things about God and about themselves, all while having fun!

*From April 2020 on, **KOMERAKids!** will be available every Tuesday on www.lahoulette.be*

*For KOMERAKids!

My name is Clémentine INGABIRE.
I am a psychologist and psychotherapist, specialized in therapy for children, young adults and families. During 10 years I was also a Sunday school teacher at my church.

I am part of La Houlette-Psy Asbl

SHALOM!

Dear parents...

In this time of confinement due to Covid-19, the Lord laid on my heart to make a brochure for children, which takes them on a discovery of different Bible passages. The aim is to keep children occupied, while having fun, and at the same time learning something useful. This weekly brochure is developed for children between the ages of 7 and 10.

Children can play an active role of solidarity in difficult times. This period of confinement can actually be used to teach them life skills that they don't yet know! I invite you to go through this brochure with them and to use the ideas to help them deal with their emotions and value them. I will give some ideas on how they can contribute to family life, how to discover and use their talents, for what I hope will help the wellbeing of the whole family.

You can download this brochure on www.lahoulette.be
